

Article Overview

The price for ladder-type cable trays, including the 4000150 model, typically starts around INR90-INR98 per meter in India, depending on the supplier and specifications.

Price Overview

Ladder-type cable trays are commonly sold in standard lengths of 2.4 meters and are often made from hot-dip galvanized steel for durability and corrosion resistance . According to recent listings on IndiaMART, competitive starting prices include:

- o JP Electrical And Controls - INR90 per meter
- o Global Manufacturers And Traders - INR90 per meter
- o Parmar Metals Private Limited - INR98 per meter Prices may vary based on material thickness, width, and additional fittings such as elbows, tees, and vertical or horizontal connectors.

Supplier Options

You can contact suppliers directly to confirm availability, bulk order discounts, and delivery options:

- o Y K Enterprises - +91 8047680848
- o Bajiya Industrial Corporation Pvt. Ltd. - +91 8043880864
- o R V Electricals - +91 7942665153 These suppliers are known for quick response and reliable service for ladder-type cable trays .

Additional Considerations

- o Fittings and accessories are priced per piece and are required for routing cable trays around corners or changing elevation .
- o Material choice (aluminum vs. galvanized steel) affects both price and corrosion resistance .
- o Bulk orders may reduce the per-meter cost, and some suppliers offer custom lengths beyond the standard 2.4 meters . For accurate pricing of the 4000150 ladder-type cable tray, it is recommended to contact suppliers directly with your required quantity, length, and specifications to get the latest quotes and delivery details.
