

Are there fiber optic patch cord manufacturers in the UAE

Article Overview

Leading fiber optic patch cord manufacturers in the UAE include Norden, IT World Trading, Fahad Cables, Superior Technologies, and Naficon, offering a wide range of single-mode and multi-mode patch cords.

Key Manufacturers and Suppliers

1. Norden Communication Norden is a prominent manufacturer and supplier of fiber optic patch cords in the UAE, headquartered in Dubai Silicon Oasis. They offer a variety of products including single-mode and multi-mode patch cords, breakout cords, and double-armored fiber patch cords. Their products are designed for high durability and minimal signal loss, suitable for office LANs, data centers, and telecom applications. Norden has been operating since 1998 and serves both local and international markets, ensuring strict quality control and testing for all cables (Norden UAE) . 2. IT World Trading Based in Dubai, IT World Trading supplies fiber optic patch cords across Dubai, Sharjah, and Abu Dhabi. They provide single-mode and multi-mode cords with LC, SC, and other connector types in simplex or duplex configurations. Their products are built for consistent performance, low insertion loss, and long-term reliability. IT World Trading also offers expert guidance to match cords with bandwidth and distance requirements, making them a trusted supplier for corporate offices, healthcare facilities, and telecom providers (IT World Trading) . 3. Fahad Cables Fahad Cables is a leading network patch cord manufacturer in the Middle East, offering fiber patch cords, data cables, and coaxial cables. Their products comply with international standards such as ISO9001, UL, IEC, CE, and RoHS. They also provide OEM services for well-known brands, ensuring high-quality and cost-effective solutions for various networking needs (Fahad Cables) . 4. Superior Technologies Located in Jumeirah Lake Towers, Dubai, Superior Technologies manufactures and supplies fiber optic cables, Ethernet cables, keystone jacks, and PDUs. They focus on innovation and quality, adhering to ISO9001 standards, and provide end-to-end structured cabling solutions for the Middle East market (Superior Technologies) . 5. Naficon Naficon specializes in fiber optic connectivity solutions, including SM and MM patch cords, MTP/MPO cords, armored and breakout patch cords, and pre-assembled cables. They also offer adapters, optical distribution frames, and network cabinets. Naficon serves the UAE and Middle East, providing both products and services such as network design, installation, and maintenance (Naficon) .

Summary

For businesses or projects in the UAE seeking fiber optic patch cords, these manufacturers provide a comprehensive range of products and services. Norden and IT World Trading are ideal for high-performance LAN and telecom applications, while Fahad Cables, Superior Technologies, and Naficon offer additional OEM, structured cabling, and pre-assembled solutions. Each supplier ensures compliance with international standards and provides local support for installation and network optimization.
