

Article Overview

Stago, CC Nederland B.V., Staalbouw Dijkstra, and Beemster Electrical Solutions are notable Dutch cable tray manufacturers and suppliers.

Key Manufacturers

Stago (Wibe Group) produces a complete range of cable tray systems designed for commercial buildings, industrial sites, and data centers. Their trays are manufactured in the Netherlands, ensuring consistent quality and local availability. Stago offers ladder, perforated, reinforced, and closed tray designs, with fire-resistant certifications (DIN 4102-12) and customizable colors. Their Unilock coupling system allows fast installation and ensures electrical continuity for grounding and equipotential bonding .

CC Nederland B.V. specializes in SILTEC stainless steel cable trays, made from high-quality AISI 304 stainless steel for excellent corrosion resistance. They offer a wide range of sizes and custom dimensions, with rounded designs to protect cables and patented locking systems for secure fastening and easy maintenance .

Staalbouw Dijkstra manufactures cable trays in various materials including aluminum, stainless steel, Sigmaweld, and steel. They provide fast delivery across the Netherlands and can produce trays in all standard formats .

Beemster Electrical Solutions supplies cable support systems, including cable trays and conduits, in multiple materials such as galvanized steel, aluminum, nickel-plated steel, stainless steel, and synthetic materials. They also provide guidance on fire classification standards (CPR/EN 50575) and ensure that their systems meet European fire safety regulations .

Additional Resources

For a broader list of Dutch cable tray manufacturers and suppliers, Trademo provides a directory with shipment data, trade volumes, and supplier contacts, which can be useful for sourcing and market intelligence .

These manufacturers offer a variety of cable tray solutions suitable for industrial, commercial, and specialized applications, with options for customization, corrosion resistance, and compliance with fire safety standards.
