

New Price Quote for South African Cable Trays

Article Overview

Cable trays in South Africa are available from multiple suppliers, with pricing dependent on material, size, and configuration, and quotes can be obtained directly from suppliers online or via custom requests.

Supplier Options and Product Types

o

RS Components South Africa offers a range of cable management solutions including cable trays, wire trays, and cable baskets, suitable for industrial and residential applications. Pricing and availability can be checked online, and orders can be placed directly through their website .

o

Liteglo provides wire mesh cable trays with competitive pricing and fast delivery across South Africa. They cater to electrical contractors and industrial projects, and you can request a quote or purchase online .

o

Vulcania Reinforcing Solutions supplies steel and aluminum cable trays in various sizes and configurations. They offer standard stock online and accept custom bending schedules for tailored quotes. Their trays are designed for safety, organization, and durability in commercial and industrial installations .

o

Online Electrical Store features a wide selection of cable trays and accessories, allowing customers to browse products and request pricing or special offers online .

o

The Cable Manager specializes in a comprehensive range of cable management products, including cable trays, ladders, wiring channels, and trunking. They serve all regions of South Africa, including major cities and remote areas, and provide competitive pricing with prompt delivery. Custom quotes can be requested for large-scale or specialized projects .

How to Obtain a Quote

o Online Request: Most suppliers have online forms or product pages where you can request a quote for specific sizes, materials, and quantities.

o Custom Orders: For non-standard sizes or configurations, submit a bending schedule or project specifications to receive a tailored quote.

o Bulk Orders: Contact suppliers directly to inquire about volume discounts and delivery options.

o Delivery and Lead Times: Confirm shipping availability to your location, as some suppliers provide
