

Article Overview

Key fiber optic cable manufacturers in Portugal include FastFiber, Altice Labs, CABLOTEC, Jorsat, and Lapp Policabos.

Leading Manufacturers

FastFiber is the largest wholesale fiber optic operator in Portugal, offering extensive national fiber optic networks, Fiber to the Home (FTTH) access, and Dark Fiber point-to-point connections for both retail and business customers, supporting advanced telecommunication services including 5G networks . Altice Labs specializes in innovative ICT solutions, particularly Optical Distribution Networks, and manufactures structured cabling products including fiber optic systems, copper cabling, racks, and cabinets, emphasizing high-quality and advanced network technologies . CABLOTEC Cablagens e Sistemas Lda. provides connectivity solutions across various industries, with expertise in custom prototyping and development for fiber optic cable applications . Jorsat, based in Viseu, Portugal, offers a range of fiber optic cables, including pre-connectorized options and OS2/G657-LSZH cables, focusing on innovative communication technologies for diverse telecommunications needs . Lapp Policabos is a key player in importing, stocking, and providing technical solutions for fiber optic cables, supporting cable installations and partnerships within the industry .

Additional Suppliers

Portugal has a total of 12 verified fiber optic products suppliers as of mid-2026, including companies like HBK FiberSensing, Dourado Group, LINKLAB LDA, HC-Hybrid Cube, and Lusofonica, which provide a variety of fiber optic products and services across the country .

Industry Context

The Portuguese fiber optic market is growing due to increasing demand for high-speed internet and digital connectivity. Manufacturers focus on innovation, sustainability, and compliance with EU regulations. Opportunities exist for new entrants, particularly in rural areas where fiber deployment is still developing . These companies collectively support Portugal's expanding telecommunications infrastructure, offering both standard and customized fiber optic solutions for residential, corporate, and industrial applications.
