

Article Overview

Vergokan and Flamro are notable providers of fire-resistant cable trays and protection systems in Portugal.

Key Portuguese Brands and Suppliers

1. Vergokan Vergokan specializes in metal cable support systems, including cable trays, wire cable trays, cable ladders, and fire-resistant systems rated E30, E60, and E90. Their products are designed for industrial and commercial applications, offering robust fire protection and compliance with safety standards . 2. Flamro Flamro provides fire protection solutions for cables and cable trays, including FLAMMOTECT-A coatings and DG-CR 0.7 fire protection tapes. These products are suitable for high-rise buildings, industrial facilities, hospitals, and power plants, ensuring cables remain functional during fire incidents . 3. Local Portuguese Manufacturers

- o Jeetmull Jaichandlall (P) Ltd.: Offers high-quality cable trays in various sizes and configurations, suitable for industrial, construction, and architectural applications in Portugal .

- o Europages-listed suppliers: Several Portuguese companies manufacture and supply cable trays, including plastic and metal options, which can be adapted for fire-resistant applications .

Considerations for Fire-Resistant Cable Trays

- o Material: Metal trays (steel or stainless steel) are preferred for high fire resistance.
- o Fire Rating: Look for E30, E60, or E90 ratings, indicating the duration of fire resistance.
- o Coatings and Tapes: Fire protection coatings or tapes can enhance the fire resistance of standard cable trays.
- o Applications: Suitable for industrial plants, hospitals, airports, substations, and offshore facilities. By choosing suppliers like Vergokan or Flamro, or certified Portuguese manufacturers, you can ensure compliance with fire safety standards while maintaining reliable cable management in critical installations .

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories.
