

Article Overview

Galvanized cable trays in Mexico are generally affordable, with prices varying based on size, type, and customization, typically ranging from \$0.55 per unit for small wire mesh trays to higher rates for larger or heavy-duty perforated trays.

Price Overview

Galvanized cable trays are considered a cost-effective solution due to their durability and long lifespan . Prices depend on the tray type, dimensions, and material thickness:

- o Wire mesh or perforated trays: Small units (e.g., 20-60 meters) can start around \$0.55 per unit for standard steel wire mesh trays .
- o Pre-galvanized perforated trays: Sizes range from 120mm to 1200mm in width and 50mm to 160mm in height, with lengths typically 2.4-3 meters. Prices are custom-quoted based on specifications and order quantity .
- o Hot-dip galvanized steel trays: Heavy-duty industrial trays with widths 50-1200mm, heights 20-200mm, and thickness 1.2-3.0mm are available from manufacturers like MATRIX INCORPORATION, with factory-direct pricing and minimum order quantities around 1000 meters .

Suppliers in Mexico

Several reputable suppliers and manufacturers operate in Mexico, offering both standard and customized galvanized cable trays:

- o Cable House: Offers a wide range of cable trays at competitive market prices, including custom solutions .
- o Brilltech Engineers: Provides perforated and galvanized cable trays with ISO-certified quality, suitable for industrial and commercial applications .
- o Wiremeshes.com: Highlights the affordability and durability of galvanized cable trays in Mexico .

Factors Affecting Price

- o Material and Coating: Hot-dip galvanized trays are more corrosion-resistant and slightly more expensive than pre-galvanized trays.
- o Dimensions: Wider, taller, or longer trays increase material costs.
- o Customization: OEM/ODM options, perforation patterns, and special fittings can raise the price.
- o Order Quantity: Bulk orders often reduce the per-unit cost.

Recommendation

Price of Mexican galvanized cable trays

For accurate pricing, it is advisable to contact local suppliers in Mexico with your specific requirements (width, height, length, load capacity, and quantity). Most suppliers provide custom quotes and can advise on the most cost-effective solution for your project .
