

Singapore Galvanized Ladder Cable Tray Price List

Article Overview

Galvanized ladder cable trays in Singapore are available from multiple suppliers, with prices typically provided upon request based on material, size, and load capacity.

Overview of Galvanized Ladder Cable Trays

Galvanized ladder cable trays are designed with two side rails connected by rungs, providing strong support and easy cable access from the top or bottom . They are commonly used in industrial and commercial installations where durability and corrosion resistance are required. In Singapore, these trays are available in hot-dip galvanized (HDG) and GI galvanized zinc-plated finishes, which protect against rust and extend service life .

Material and Duty Options

- o Materials: Hot-dip galvanized steel, GI galvanized steel, stainless steel (SS304, SS316, SS316L), aluminum, epoxy-coated steel .
- o Duty Ratings: Light duty (13mm), medium duty (25mm), and heavy duty (50mm, 75mm, 100mm and above) depending on load requirements .
- o Customization: Covers, rung spacing, and rail profiles can be customized to suit project specifications .

Suppliers in Singapore

- o AEHUB - Offers a wide range of cable trays and ladders in HDG and GI galvanized finishes, certified to IEC 61537 and NEMA VE-1 standards .
- o NEXE - Provides cable tray and ladder systems with specifications available online; quotes are provided upon request .
- o Ferrotech - Specializes in ladder cable trays with customizable materials and finishes, emphasizing strength and easy cable access .
- o Shopee Singapore - Offers galvanized ladder cable trays, including hot-dip and plastic-coated options, suitable for smaller projects or retail purchases .

Pricing Considerations

Actual prices for galvanized ladder cable trays in Singapore depend on factors such as tray width, rung spacing, material type, and order quantity. Typically, suppliers provide quotes on request rather than listing fixed prices online. For accurate pricing, it is recommended to contact suppliers directly with your project specifications, including:
