

What are some cable tray companies in Samoa

Article Overview

Brilltech Engineers Pvt. Ltd. is a leading cable tray manufacturer in Samoa, offering ISO-certified, standard and customized solutions.

Key Manufacturers and Suppliers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a trusted manufacturer and exporter of electrical cable trays in Samoa. They provide a wide range of standard and customized cable trays to meet industry requirements. Their manufacturing facility is equipped with modern machinery, and they perform stringent quality checks from raw material procurement to final packaging. Brilltech's products are ISO-certified and have been supplied to clients such as Hero, Kia, Bosch, and Honda. They focus on customer satisfaction and offer both domestic and export services . 2. Sai Cable Trays Sai Cable Trays manufactures a complete range of industrial and commercial cable trays. Their products include durable G.I. ladder-type trays, perforated trays, and galvanized iron raceways. Designed for easy installation and corrosion resistance, these trays are suitable for indoor and outdoor applications. Sai Cable Trays emphasizes cost-efficiency, robust performance, and innovative solutions for extensive network and industrial cable management . 3. International Suppliers via E-commerce Products like the Kable Kontrol Cable Tray are available through platforms such as Desertcart, which ships to Samoa. These trays are made from zinc-plated steel with a chrome finish, NEC-approved, and suitable for professional network, fiber optic, and AV installations. Desertcart handles customs clearance and provides tracking and warranty support . 4. Trade Platforms Trademo provides a directory of cable manufacturers and suppliers in Samoa, offering insights into shipment activities, trade volumes, and contacts for local and international suppliers. This platform can help identify additional manufacturers and suppliers for bulk or specialized orders .

Considerations for Choosing a Supplier

- o Certification and Quality: ISO-certified products ensure compliance with international standards.
- o Customization: Some manufacturers offer tailored solutions for specific project requirements.
- o Durability: Look for corrosion-resistant finishes and robust materials suitable for local environmental conditions.
- o Delivery and Support: Consider suppliers that provide reliable shipping, tracking, and customer support. For sourcing cable trays in Samoa, Brilltech Engineers Pvt. Ltd. and Sai Cable Trays are the primary local manufacturers, while international suppliers can be accessed through e-commerce platforms for specialized or additional products.
