

Article Overview

You can purchase fiber optic pigtails in Venezuela through local suppliers in major cities like Zulia and Caracas, or via international online retailers such as Amazon, FS, and Leviton.

Local Suppliers in Venezuela

Venezuela has around 20 verified fiber optic product suppliers as of May 2026, with the highest concentration in Zulia (8 suppliers) and the Capital District (4 suppliers) . Some notable suppliers include:

- o COLNETWORK - Located in Ciudad, offers a range of fiber optic products.
- o ROMAR Servicios - Provides fiber optic solutions and accessories.
- o Soluciones Wireless - Specializes in networking and fiber optic components.
- o RADIOLINK C.A. - Offers fiber optic cables and pigtails. These suppliers typically provide single-mode and multimode fiber pigtails, suitable for mechanical or fusion splicing, and may offer custom lengths and connector types (SC, ST, LC) depending on your needs .

International Online Options

If local availability is limited, you can order from international suppliers that ship to Venezuela:

- o Amazon - Offers a wide selection of fiber pigtails with various connector types and fiber modes .
- o FS (Fiberstore) - Provides single-mode and multimode fiber pigtails with tight buffer design, quality-tested for insertion loss and return loss, suitable for field splicing .
- o Leviton Network Solutions - Offers premium and economy fiber pigtail kits for mechanical or fusion splicing, with options for SC, ST, or LC connectors .

Tips for Purchasing

- o Check shipping policies: Confirm that the supplier ships to Venezuela and inquire about customs or import restrictions.
- o Specify fiber type and connector: Ensure you select the correct single-mode or multimode fiber and connector type compatible with your equipment.
- o Compare prices and delivery times: Local suppliers may offer faster delivery, while international suppliers may provide a wider selection. By combining local suppliers in Zulia or Caracas with international online options, you can reliably source fiber optic pigtails for your networking or telecommunications projects in Venezuela .
