

Article Overview

Huawei fiber optic switches can be purchased directly from Huawei's official enterprise store or through authorized distributors and specialized online retailers.

Official Huawei Sources

- o Huawei Enterprise Switches: Huawei's official website offers a wide range of campus and data center switches, including fiber optic models suitable for enterprise networks, government, education, and finance sectors. You can explore product specifications and request sales support directly from Huawei .

Authorized Distributors and Online Retailers

- o Huawei Telecommunication Equipment: Offers CE8800 series 10G/100G fiber optic switches for data centers and high-end campus networks. Models include CE8860-4C-EI and CE88-D24S2CQ with SFP+ and QSFP28 ports .
- o Router-Switch.com: Provides various Huawei 10G SFP+ fiber switches such as S6700 and S6720 series, with fast delivery (1-3 days) and live chat support for purchase inquiries .
- o Hi-Network.com: Sells Huawei S5720-32X-EI-24S-AC 24-port SFP fiber switches and other models, offering global shipping and support for enterprise networking equipment .
- o Made-in-China Suppliers: Companies like SHENZHEN KEXINT TECHNOLOGY Co., Ltd offer Huawei-compatible fiber optic switches and related network equipment, suitable for bulk orders or customized solutions .

Tips for Purchasing

- o Verify authenticity: Always buy from official Huawei channels or authorized distributors to ensure genuine products and warranty coverage.
- o Check specifications: Confirm the switch model, port type (SFP+, QSFP28), and speed (10G, 25G, 100G) match your network requirements.
- o Consider support and delivery: Some distributors provide fast shipping, technical support, and installation guidance, which is important for enterprise deployments. By exploring these sources, you can find Huawei fiber optic switches suitable for both small-scale enterprise networks and large data center deployments.

Huawei's fiber to the room (FTTR) solution extends fibers to rooms and provides various gigabit Wi-Fi 6 master/slave FTTR units, all

Where to buy Huawei fiber optic switches
