

Where to buy electrical distribution boxes in Mauritania

Article Overview

Mauritania has several suppliers and distributors of electrical distribution boxes, including ElecPlus and EDM, offering medium and low voltage solutions for residential, commercial, and industrial applications.

Key Suppliers

ElecPlus is a leading distributor in Mauritania specializing in medium voltage (MV) and low voltage (LV) electrical equipment, including distribution boxes, transformer stations, and network components. They provide high-quality products from reputable manufacturers that meet European and international standards. ElecPlus also offers technical support, project consultation, and after-sales services, ensuring maintenance and spare parts availability for all electrical installations . EDM (Electricite de Mauritanie) supplies and installs a wide range of electrical equipment, including power cabinet distribution systems, LV and MV lines, and transformer stations. EDM partners with major global brands such as General Electric, ABB, and Schneider Electric, ensuring reliable and certified equipment. They also provide after-sales services and have experience with large-scale projects for companies like SOMELEC, Mauritel, and international telecom operators .

Product Types

- o Medium Voltage (MV) Distribution Boxes: Used for industrial and utility applications, often integrated with transformer stations and MV lines.
- o Low Voltage (LV) Distribution Boxes: Suitable for residential, commercial, and light industrial use, including weatherproof and concealed boxes.
- o Power Distribution Units (PDUs) and Power Strips: For data centers, server rooms, and general-purpose applications, compliant with local standards .

Services and Support

Both ElecPlus and EDM provide:

- o Technical consultation for selecting appropriate distribution boxes
- o Installation and commissioning of electrical systems
- o Maintenance and spare parts supply
- o Compliance with international safety and quality standards

How to Procure

Interested buyers can contact these suppliers directly via their websites or commercial teams. ElecPlus offers
