

Article Overview

Canada has a robust network of fiber optic cable wholesalers and manufacturers offering singlemode, multimode, armored, and custom fiber solutions nationwide.

Leading Wholesalers and Distributors

- o Tevelec Limited - A major distributor of fiber optic cables, coaxial cables, and related networking products. They provide single-mode, multimode, MT fiber assemblies, patch cables, connectors, and pre-terminated assemblies, serving telecommunications, IT, and construction industries across Canada .
- o Cablify - Supplies fiber optic patch cables, custom fiber assemblies, and infrastructure equipment to businesses, data centers, universities, and government organizations. They offer singlemode OS2, multimode OM1/OM2/OM3/OM4, armored cables, and custom lengths with nationwide shipping .
- o Techlogiks Canada Inc - Based in Mississauga, Ontario, Techlogiks manufactures fiber cables, Ethernet cables, server racks, and connectivity products. They provide ISO9001-certified products with UL, SGS, and TUV Rheinland certifications .
- o Infinite Cables - Located in Markham, Ontario, Infinite Cables specializes in fiber optic cables, patch cords, and custom network solutions. They manufacture according to high-quality standards and offer customized cable assemblies .
- o PCI Supply - Alberta-based distributor of outside plant telecommunications products, including fiber optic and copper cables, closures, HDPE conduit, and FTTx technology. They serve utility, industrial, and municipal clients across Canada .
- o Cantel Solutions (Can Telecom Solutions Inc) - Provides end-to-end fiber optic infrastructure solutions, including fiber cables, patch cords, connectors, network cabinets, and LAN systems. They focus on scalable, plug-and-play solutions for enterprise and data center environments .

Additional Notable Suppliers

- o HELUKABEL, ECS Global, Cablek, Hyperline, Fibrenoire, and National Fiber Link are recognized Canadian manufacturers and distributors offering fiber optic cables, structured cabling systems, and network connectivity solutions .
- o Everything To Connect (ETC) - Supplies simplex and duplex fiber optic cables in various modes and connector types, with custom multi-strand assemblies available .
- o Volza - Provides a database of 213 verified Canadian fiber optic cable suppliers with shipment-level insights, helping buyers identify reliable wholesalers and exporters .

Key Considerations

- o Product Range: Singlemode vs multimode, armored vs standard, pre-terminated vs bulk reels.
- o Certifications: ISO9001, UL, CSA, SGS, and TUV Rheinland ensure quality and compliance.

Wholesale Canadian fiber optic cables

- o Customization: Many suppliers offer custom lengths, connector types, and jacket materials (PVC, LSZH, armored).
- o Shipping & Coverage: Most wholesalers ship across Canada, including major cities like Toronto, Vancouver, Montreal, Calgary, and Ottawa.
- o Target Clients: IT departments, data centers, universities, government organizations, telecom contractors, and industrial facilities. For sourcing fiber optic cables in Canada, these wholesalers provide comprehensive product lines, technical support, and nationwide distribution, making them suitable for both large-scale infrastructure projects and specialized network installations.
